2022 Camp McCumber Kitchen and Dining Hall Use Addendum

1. State law requires that anyone who serves, prepares, or cooks in the kitchen is required to obtain a **food handlers permit**. This permit can be obtained online for \$10 by visiting www.efoodhandlers.com. ALL CHILDREN in the kitchen area must be properly supervised at all times by an adult and are NOT permitted to operate kitchen appliances.
2. Wash all of Camp McCumber's pots, pans, plates, and all eating and cooking utensils after each use and return them to their proper places.
3. DO NOT leave any dirty dishes, of any kind, sitting anywhere in the kitchen or dining hall.
4. All kitchen appliances must be clean when you leave. This includes the ovens, grill, and stove.
5. All surfaces must be wiped clean. This includes the dining tables as well as the serving tables, and all surfaces in the kitchen.
6. DO NOT leave behind any food or drinks. Either take them home with you or discard them.
7. If you use any of Camp McCumber's kitchen towels & aprons, you are responsible for washing, bleaching, and hanging them on the clothesline. The washing machine is in the closet outside the back door of the kitchen. Line dry.
8. Sweep and mop the kitchen and dining hall at the conclusion of your camp. Mops can be found in the closet outside of the back door of the kitchen.
9. Paper products, coffee, and tea are provided for Camp McCumber kitchen staff usage and have been inventoried. Groups that are cooking for themselves need to provide their own paper products, tea, coffee, and any other supplies.
10. All the trash cans must be **completely empty** and re-lined with a clean trash bag after each meal. DO NOT leave even 1 item in the trash cans when your group departs.
11. Cardboard boxes must be broken down to completely flat prior to placing them in the dumpster.

Upon arrival of the first person at camp, within 30 minutes, notify the Camp Manager of any issues related to items listed on this addendum that you observe in the kitchen and/or dining hall. Once the kitchen and dining hall have been occupied by campers (or your staff), Camp McCumber staff cannot be responsible for their cleanliness.

Please be sure to leave the kitchen and dining hall completely clean for our next camp group. If the camp staff is required to do any cleaning after your group departs, some or all of your cleaning deposit will be utilized to pay for the cleaning.
